

Valid from 01.01.2026

Slovak health insurance providers cover only some of the treatment procedures - when requirements are met. For women under the age of 40, the provider covers 3 treatment cycles fully in the case of IVF, and partially in the case of donor IVF (DIVF).

The price marked in **this colour** is valid if the woman is under 40 years old and has not yet used up 3 cycles on the Slovak health insurance.
